There are three ways to get from Budapest Ferihegy Airport to the University or local hotels:

- You can take the Budapest Airport Minibus at the Airport in the Terminal. This provides excellent services and is reasonably priced. The prices of tickets are: 2.990 HUF (10 EUR) for a one-way trip, and 4.990 HUF (17 EUR) for a return trip. Contact details for the Budapest Airport Minibus are:

- Another alternative is to use the public transport: Passengers can use a direct bus service from Terminals 1 and 2, called the **Bus 200E** to Kőbánya-Kispest metro (subway) terminal. This takes about 30 minutes. By the '**blue**' (3) **Metro** you can reach Deák Ferenc Square in the City in 20 minutes. The one-way tickets cost is HUF 290 (1 EUR), or 400 HUF (1,35 EUR) when buying on the bus from the driver. For more information about the public transportation of Budapest see www.bkv.hu.

The Central Building (K Building) of University is easily accessible by public transport and taxis from local hotels. (See map of local area below). Tickets valid for all types of public transport are sold in the hotels.

We wish you a pleasant journey and look forward to meeting you soon in Budapest.
